

ALLATOONA MASJID &
COMMUNITY CENTER, WOODSTOCK, GA
"AMCC"

Dear Brother / Sister, Assalamu Alaikum, an Opportunity Knocking !

Any upcoming masjid in our communities is an opportunity for us to gain some reward for the hereafter. Alhamdulillah Allah swt has provided us an opportunity to establish a masjid in Woodstock, which is a northwestern suburb of Atlanta. It has a growing community and in a dire need of Masjid which may cater the needs for several huge neighborhoods in the area. There are no established Masajids for about 20 miles around.

The Property we are trying to buy is a commercial building being foreclosed by a bank for a great price. We are falling short of about \$200K to close the deal. Your contribution would go a long way and may you be rewarded by Allah swt in multi-folds, Ameen.

The Prophet (pbuh) said

When a Person dies, all his deeds come to an end except three

1. Sadaqah Jaariyah(ongoing charity, like "Waqf" or endowment like Masjid)
2. Beneficial Knowledge (which he has left behind) and a
3. Righteous Child who will pray for him. related by Tirmidhi

We request to to fill out the pledge form below to support the Masjid and mail it to the address below or pay online using our Paypal account.
