

COST COMPARISON

ALLATOONA MASJID

Sincerely building a masjid for the sake of Allah guarantees a house in Paradise.

The Prophet ﷺ said, "Whoever builds for Allah a mosque, seeking by it Allah's grace, Allah will build for him a house in paradise." (Bukhari and Muslim) In yet another narration, the size of this mosque is clarified, "Whoever builds for Allah a mosque, even if it be tiny, like a **bird's nest**, Allah will build for him a house in paradise." (ibn Hibban)
